2019 NCRC Fall Festival Information, Rules & Regulations

Thank you for your interest in being a vendor at our Fall Festival. We look forward to working with you.

Vendor Check-In and Set-Up will begin at 8AM. The roadway behind our facility will be available for you to drive on and drop off your items. We ask that you drop off your materials/supplies in the space you will be given upon arrival, move your car to the parking lot and walk back to your booth to finish setting up. The road will close to vehicles at 9:30AM so if you arrive late please be prepared to carry/cart your supplies to your space from the parking lot. Booth Spaces cannot be reserved in advance. All vendors should be open and ready to operate by 10AM. We do require that all vendors have someone to man their space at all times. The Recreation Department is not responsible for safe keeping, loss or damage of any merchandise.

Vendor Spaces are 10 feet by 10 feet. If you require more room, you will need to pay for an additional space. Canopies are a must and vendors are responsible for providing all materials/equipment for set up (tables, chairs, backdrops, canopies). We suggest that you secure your canopy with weights just in case it's windy and be prepared for inclement weather just in case. Festival events will continue rain or shine. In the event of severe weather, excessive rain or flooding, thunder, and lightning, the festival will be delayed or temporarily closed and then reopened when the weather permits unless it is after 4PM. Vehicles will not be allowed in the Festival area during cloudburst so please be prepared to protect your merchandise. Vendors will be expected to reopen their booth as soon as possible once the weather has cleared and the Festival resumes. No refunds will be issued for inclement weather.

- We do not have electrical access (*unless you are a Food Vendor*)
- Alcohol is prohibited on all Newton County Properties
- No smoking in the Festival area
- Vendors may not sublet any portion of their space to another vendor
- Open flames are not permitted
- This is an outdoor event. Vendor spaces may not be completely level
- NCRC Staff will be available if you have any problems

Specifically for Food Vendors

1. Food Vendors must bring their own heavy-duty, outdoor, UL-listed extension cords.
2. We do not have a water source available so please bring whatever you need with you.
3. Fire extinguishers are required and will be checked for a current inspection tag. Food vendors who cook on site with grease, charcoal, propane or an electrical hook-up need a 5lb, Multipurpose, ABC or BC fire extinguisher readily available. If you are not in possession of a fire extinguisher at any time during the festival, your booth will be shut down until you get one in your booth.
4. All vendors using grease and grills are required to have sand placed underneath the cooking area to prevent spillage.
5. Hot surfaces from cooking and heating appliances, such as grills, hot plates and coffee makers must be blocked so the public is protected from physical contact with them.
6. Deep Fryers must have splash covers.
7. No frayed wires or overloaded extension cords are permitted.
8. Please **include a menu with this Registration Form and Waiver**. Not all menu items will be approved due to the potential for duplication. We want to ensure that every food vendor has the highest potential for success.
9. Food Vendors are responsible for placing their trash in dumpsters located on the Festival grounds. Food vendors are responsible for removing any and all trash from their booth area at the conclusion of the Festival.
10. Vendors are not allowed to dump grease, charcoal or wastewater on the property. Vendors should have containers to manage their removal.
